Student Satisfaction Survey

The IQAC has designed a format for Student Satisfaction Survey and made it available as URL (web link) to all the students pursuing their degree/diploma on the university campus. The format is based on the information of the concern school of the students, university infrastructure and the curricular aspects. The feedback of students obtain through google survey was analysed. The salient observation of the SSS are as follows:

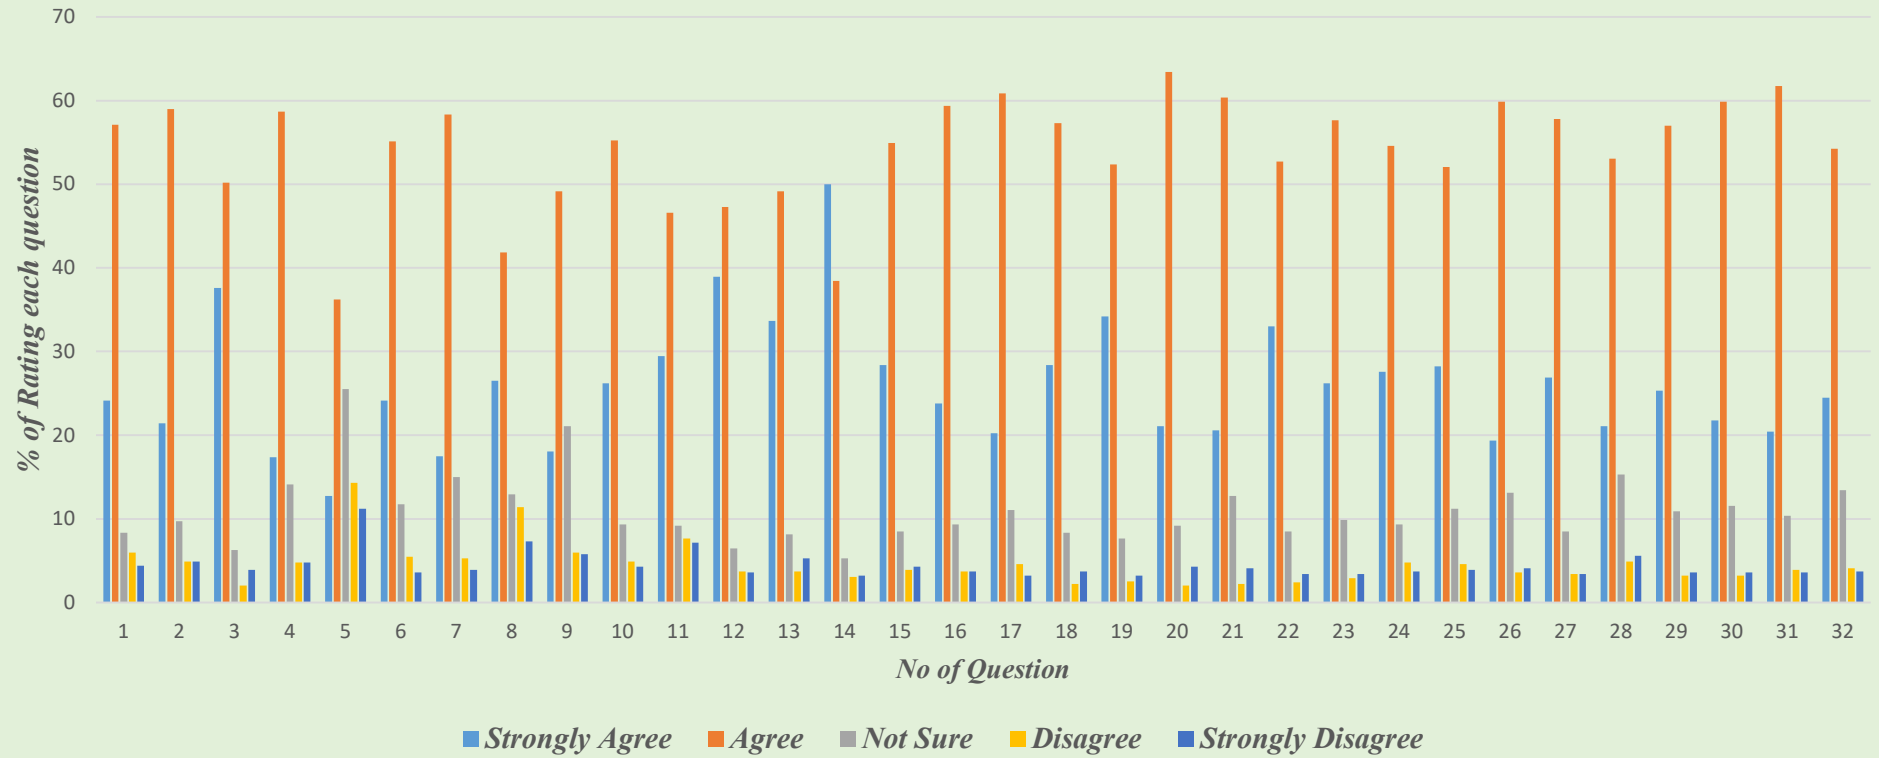

- Regarding the school information on cooperation from non-teaching faculty, user friendly administrative procedures, declaration of result in time, redressal of grievances/problems, functioning of placement cell and adequate equipment, approximate 22.65 % respondent are strongly agree, Approximately 52.24% respondent agree regarding the cooperation from the non-teaching faculty of the school.
- About infrastructure satisfaction (recreational facility. common room, accessibility of classroom to disabled person, power supply, drinking water, cleaning toilet and eco-friendly campus) 29.38% and 49 % respondent are strongly agree and agree respectively. About 4 % respondent are not satisfied with the infrastructure facilities and shown disagree to strongly disagree responses.
- The curriculum of the courses taught on the university campus are job oriented and 82 % respondents are satisfied with the curriculum and shown strongly agree to agree as a response. Approximately 6 % respondents are not happy with existing curriculum of the programme taught on the university campus.

Some of the critical suggestions received from the respondents of the school are

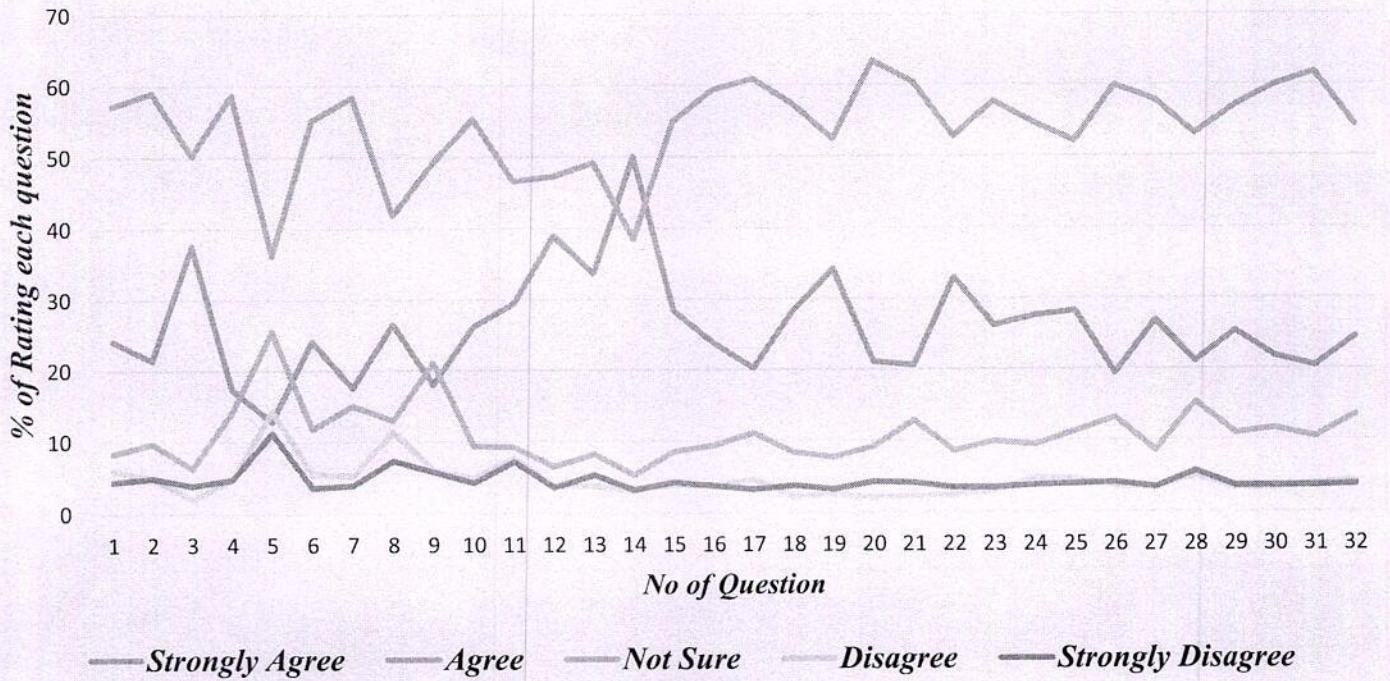

- i. Organize some activity or tasks (Conference / Workshops / Field Trips etc.) which can improve the student practical as well as technical knowledge.
- ii. Focus on practical knowledge more rather than theoretical.
- iii. Need to organised campus interview

This suggestion are communicated to the concern schools as well as university authority for the further needful action.
