

NORTH MAHARASHTRA UNIVERSITY, JALGAON

End Semester Examination (ESE) Question Paper Pattern

(First Year of Engineering)

Guidelines for paper setters are as follows –

1. Maximum marks are 60.
2. Each unit is for maximum 12 marks.
3. Each unit consists of two bits of questions.
4. Question bit ' a ' is for maximum **06** marks.
5. Question bit ' b ' is also for maximum **06** marks.
6. Each Question bit has choice (OR) of 06 marks question.
7. It is applicable to all First year engineering courses.
8. Paper setter can also use combination of **(03 + 03) Or (04 + 02)** marks short questions i. e. split of 6 marks.

***Sample: _____ UNIT –I**

Q1) a) **06 / (03+03)/(04 + 02) / 12 Marks**

OR

Q1) a) **06 /(03+03)/(04 + 02) / 12 Marks**

Q1) b) **06 /03+03/ (04 + 02) Marks**

OR

Q1) b) **06 /03+03/(04 + 02) Marks**

***Above question pattern is to be applied to all units.**
