History of English Literature re contd.....

- **The Renaissance (1500–1660)**
- Recently, critics and literary historians have begun to call this the “Early Modern” period, but here we retain the historically familiar term “Renaissance.”
- This period is often subdivided into four parts, including the Elizabethan Age (1558–1603), the Jacobean Age (1603–1625), the Caroline Age (1625–1649), and the Commonwealth Period (1649–1660).

The meeting interface includes a chat window on the left, a toolbar at the bottom with icons for mute, video, and chat, and a taskbar at the very bottom showing the Windows operating system.
